Wire Fencing Tools and Fasteners

Permanent Wire Strainers –

Drop pin style strainer makes erection and maintaining a fence easy. Can be tightened (or loosened) using a wrench or the universal handle.

Universal Handle for Strainers

– Spring loaded ratchet pin and is universal so it will fit most common brands of permanent wire strainers. Self-ratcheting for ease of use, steel pin stays in contact with teeth at all times.

Ezepull Pliers (Crimping tool) –

Lightweight high quality fencing tool designed to make life easier.

- Cuts wire
- Splices wire with use of crimp sleeves
- Pulls staples
- Strip electric fence wire
- Two sizes: 12.5-15 ga. And 9-10 ga.

Crimping Sleeves (Wire

clamps) – join fence in a fraction of the time, will not slip under heavy loads, will not rust.

- Two sizes: 12.5-15 ga. (100 pcs.) and 9-10 ga. (50 pcs.)
