

Job Summary

Phoenix Fence Corp is seeking Fence Installers at their Edmonton Head Office. A Fence Installer installs commercial and / or residential permanent and temporary fencing made of chain link, vinyl (PVC), ornamental (wrought iron), and other materials while working in a team of two to three people. Those who are trustworthy, willing to learn, and able to perform physical labor in outdoor settings are perfect for this position. We value reliability, a strong work ethic, and a positive team attitude. Motivated workers can progress into higher-level installer positions with the help of training.

Crucial Responsibilities & Duties

- Install commercial and / or residential fencing systems in accordance with business guidelines and project specifications
- Prepare the installation sites by making sure the posts are properly aligned, digging post holes, and setting posts
- Hang gates and install hardware
- Make sure every fence installation is secure, plumb, level, and finished with high-quality work.
- Use power and hand tools in a safe and efficient manner
- Help with installed fencing's regular upkeep and repairs as needed
- Clearly communicate with coworkers, managers, and clients to facilitate timely project completion

Qualifications

- Driver's License - Valid driver's license with reliable transportation to our yard each morning
- Drug & Alcohol Screening - This is a safety-sensitive position. As a condition of employment, successful applicants must complete and pass a pre-employment drug and alcohol screening as a condition of employment.
- Experience - While motivated candidates with relevant construction or outdoor labor experience will be taken into consideration, previous fence installation experience is preferred
- Technical Skills - It is advantageous to have experience towing trailers and operating 2–3-ton trucks
- Communication - Excellent written and spoken communication abilities
- Physical requirements - Include the capacity to climb ladders, operate in confined spaces, lift equipment, and work outside in a variety of weather conditions
- Ability and willingness to travel and work on out-of-town projects as required is considered an asset.
- Ability to lift 50+ lbs repeatedly
- Workers must be able to speak and hear on a regular basis, operate tools with their hands and fingers, and stand, walk, kneel, squat, and reach for extended periods of time. Close vision, distance vision, and focus adjustment are among the vision requirements

How to Apply

- Please submit resumes to: workforpfc@phoenixfence.ca
