Easy Assembly

Set up panels and clamp corners together

Chain link should be facing out

Each panel requires two panel clamps (one at the top & one at bottom)

Tools required – one 9/16" wrench or socket with driver

Made out of 1 3/8" galvanized pipe

Mesh can be either 11 Ga. or 9 Ga.

Safe-T "Flip-Latch" allows gate to be opened from both sides –very difficult for a dog to operate

Provisions for a padlock
