Professional Series Vinyl

RESIDENTIAL & COMMERCIAL

Long Lasting Beauty

Maintenance Free Durability

Innovative Designs

Lifetime Transferable Warranty

PHOENIX FENCE Corp.

POST MOUNT (PM) INSTALLATION SYSTEM

Fast and Easy Installation

**No digging post holes or
concrete**

Easy to repair and adjust fence

Eliminates frost heave

Procedure:

Pound 1-7/8" or 2-3/8" OD Galvanized Pipe 3' - 4' into the ground
(Pipe Length = Fence Height + 2')

Screw Post Sockets to top and bottom
on length of pipe above ground

Sleeve Vinyl Post over sockets

Assemble fence sections between posts

Alternately, Vinyl Posts can be set
directly into conventional "dug & poured"
concrete piles (STD)

Sentry
